

WATG Singapore to Design Embassy by Hilton

June 03, 2015

In partnership with Syncept Investment Group, Hilton Worldwide is developing the first Embassy by Hilton in the Asia Pacific region, slated to open in 2019.

WATG Singapore will design the 300-room, 5-Star Embassy by Hilton Bo'ao, to be located on the resort island of Hainan in Bo'ao, China.

"We are thrilled to be working with Syncept Investment Group and Hilton Worldwide on the development of the first Embassy by Hilton in Asia Pacific," says Dave Moore, senior vice president and chairman of the board at WATG. "As a firm, we have worked with Hilton for more than 30 years, and we look forward to being a part of the vision and growth of the Embassy brand. The introduction of this new brand opens unique opportunities to bring a new and fresh experience to the Hainan hospitality market."

The Embassy portfolio currently contains more than 222 properties with an additional 35 in the pipeline.
